

Dear Gregg Park Members and Guests,

Thank you for choosing Gregg Park Civic Center. We appreciate your business and look forward to serving you! We are changing our fee structure to better reflect the value we provide to our customers. We are changing membership fees to a single, more inclusive fee. Group fitness and the weight room will be included in the membership price. We are removing the in/out of boundary fees and will now be charging the same fee regardless of address. Depending on your current membership, you may see an increase or decrease in the overall yearly fee. Below you will find an updated fee schedule which will take effect January 1, 2020. The fees that are changing are listed below. Any current fees not listed will remain the same.
