

pick up is from 2:45-3:00. If you need to pick up your camper early, come into the lobby and notify the front desk. You may also call the front desk if you need to pick your camper up early, and we will do our best to have your camper ready to go. Campers of different ages will have different drop off and pick up areas meaning you may need to make multiple stops. Attached is a detailed carline map.
